BENEFITS ANNOUNCEMENT

Fresno Unified School District Employees:

We are pleased to announce that effective **August 1st**, we have made an exciting change to our voluntary retirement offerings!

Roth Investment Options

We have added Roth (post-tax) investment options to our 403(b) and 457(b) plans. This option was added to provide employees with an opportunity to save in a post-tax account that enables contributions to grow and be withdrawn tax-free upon retirement. (Please note that the contribution limits for 403(b)/457(b) plans apply to both pre-tax and Roth contributions.) Traditional 403(b)/457(b) investment options will still be available for those employees who prefer to make contributions on a tax-deferred (pre-tax) basis.

Additional Information

For more information regarding our 403(b) and 457(b) retirement plans, including a list of authorized investment providers and a portal to submit a Salary Reduction Agreement, please visit our Plan Administrator's website below:
